

GONDOLA FONDUE

As the last sunbeams of the day light up the mountain peaks around Zermatt, you will be gliding past the Matterhorn, relaxing in a cable car gondola. Enjoy a homely cheese fondue, accompanied by a refreshing drop of Valais wine. This traditional main course is framed by a choice of first courses as well as various desserts and a local schnapps. The gondolas are prepared for 4 people. You are only two? You are welcome to share the gondola with another couple.
