# FEEDBACK

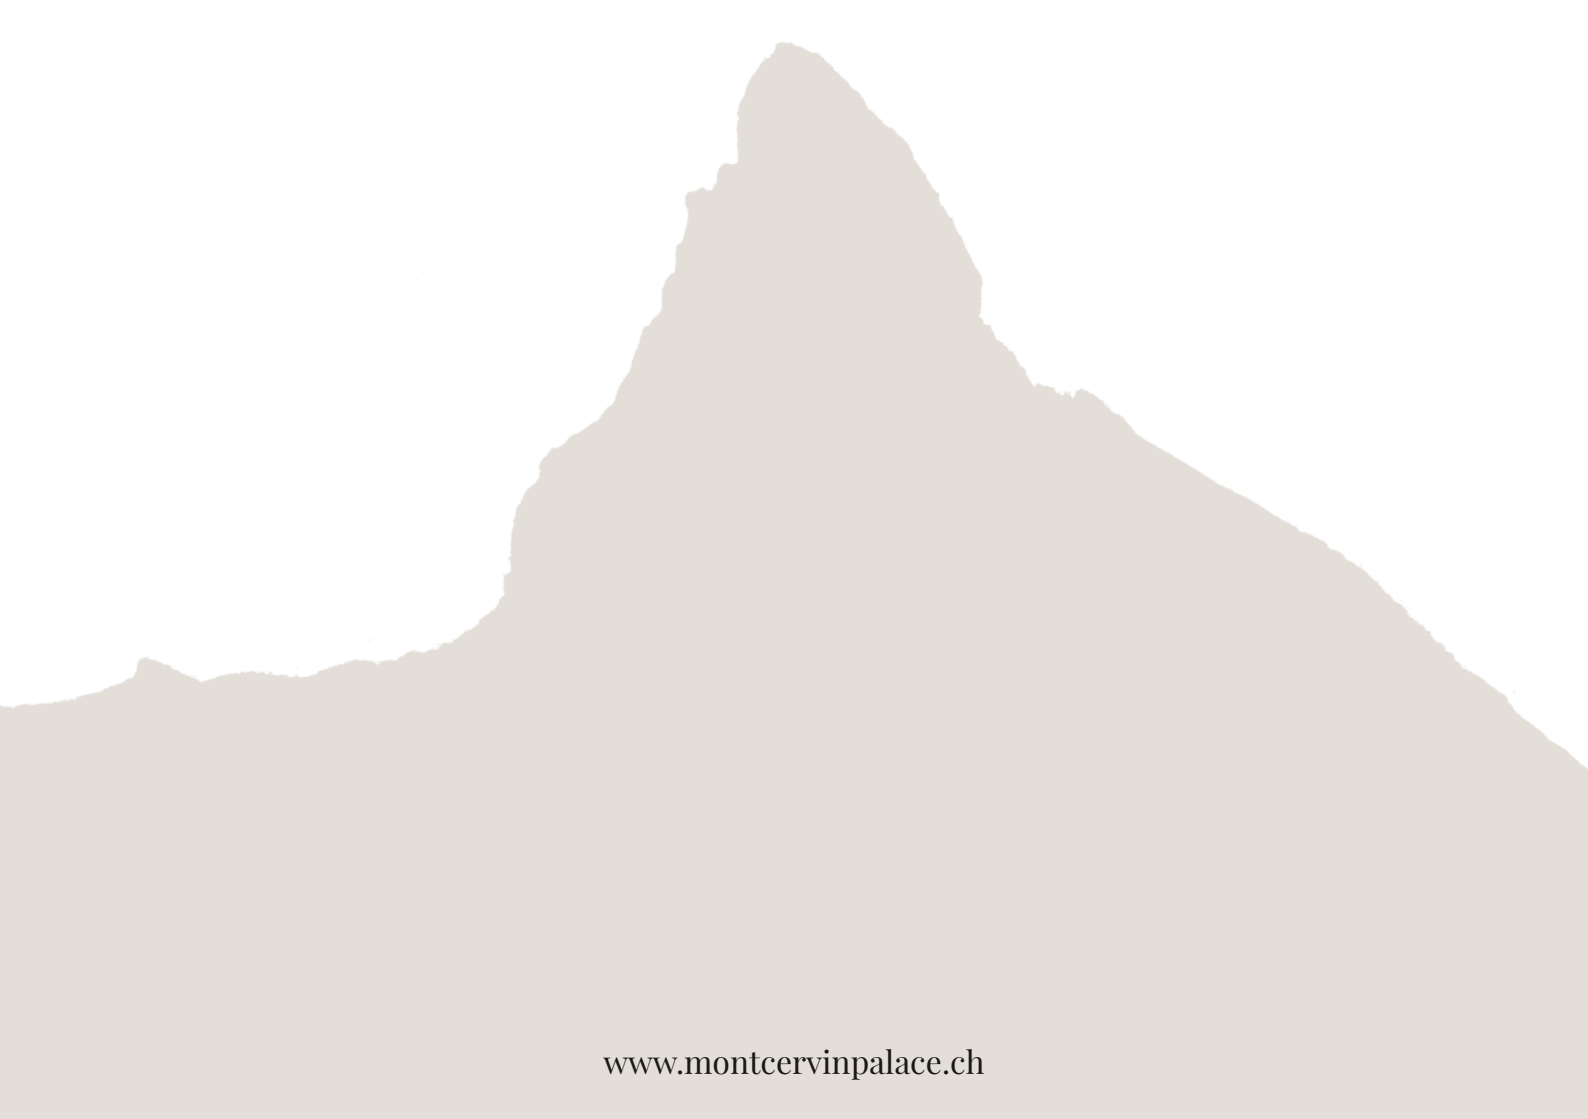

---

“The Mont Cervin Palace accommodated our big group of more than 100 with ease. Great meeting room right off buffet breakfast area. A little lobby set up for us upon welcome. Top notch! We had a group dinner. That food was the best buffet dinner ever! Whoever is the chef deserves some serious praise! Service was fantastic as well. Everyone we encountered was friendly and genuinely wanted to help.

Hotel pool stayed open until 7, and 6pm for kids. I think they could bump that by 2 hours and it wouldn't bother guests, and make it ideal. You can't really have a day on the mountains, go to dinner, and enjoy a 30min swim before bed. Especially with kids, that was an annoyance.

Zermatt itself seems to 'close down' at 6/7pm except for restaurants, which was a bit odd for us. The spa, I heard from a friend, was wonderful as well. I would go back in a heart beat, and spend more time! Gorgeous place in center of town”
